

Guest Services Manager

Remote Position

Who We Are

Geographic Expeditions (GeoEx) handcrafts cultural tours, treks, safaris, and journeys by ship and train to the world's most astonishing places. We have been a pioneer of travel to remote and challenging destinations since 1982, responsibly opening doors to surprise and delight our guests while respecting and celebrating local communities and environments.

We've been honored to be chosen as one of Outside magazine's **Best Places to Work** for 14 years running, in part due to a work environment firmly based on performance, respect, and creative fun.

We are a diverse family of like-minded adventure travel aficionados dedicated to delivering thoughtful, authentic, and life-enriching experiences across the globe. We are equally passionate about finding the right fit for our team and our travelers.

Who You Are

You are incredibly detail-oriented and highly organized. You have excellent written and verbal communication skills, and you enjoy helping guests with their questions and concerns. You have high standards for your work and put care and professionalism into everything you create.

You are self-motivated and can work independently as well as within a team. You are proactive and able to anticipate deadlines, take ownership, and learn quickly. You possess a genuine passion to learn, explore, and experience the world and want to share that passion with our guests.

The Job

You help our guests prepare for their trip by answering questions about paperwork, payments, insurance, visas, and general travel questions. You keep them (and us!) organized by tracking a variety of paperwork and client deadlines, ensuring that these deadlines are adhered to. You coordinate with GeoEx team members and overseas colleagues to compile, edit, and send pre-departure preparation materials to guests.

You are an excellent team player and assist the Sales and Groups teams with guest cancellations, trip transfers, invoicing, and ensuring that company and guest materials are up-to-date with the latest destination information and intelligence.

Through it all, you carefully review our materials and your own correspondence to ensure accuracy, clarity, proper format, completeness, and conformance with GeoEx style.
